

MOFFETT

MORE DELIVERED

MORE WITH MOFFETT

A MOFFETT truck mounted forklift is the ideal productivity tool for delivering more in your business – and for gaining more. More precision, more versatility, more business lines, more profitability, more competitive edge.

More delivered in less time

A MOFFETT truck mounted forklift on the back of your vehicle greatly increases your speed and productivity while consuming none of your precious load space.

Deliver direct to where it's needed

Take cargo the whole way – quickly, safely and securely – right to where your customer needs it. Providing full-service deliveries to precise locations gives you a competitive edge.

Ready in less than 60 seconds

Dismounting can be done single-handedly in under a minute. And once on the ground, the forklift can maneuver easily even in the more rugged or confined areas.

Delivering confidence

When you invest in a MOFFETT truck mounted forklift, you have our global Hiab service network, high-quality parts and expert assistance always close at hand.

ALWAYS A MOFFETT FOR YOUR NEEDS

MOFFETT truck mounted forklifts are tailored to your specific application – whether lightweight or heavyweight, in rough terrain or noise-sensitive urban areas. Our offering comprises a wide range of models, options and attachments to do the job your way. Whatever your load handling ambitions, you can be sure there's a MOFFETT truck mounted forklift to achieve them.
