SPECIAL OFFER

FREE ADAGIO™ SOFTWARE

with the purchase of a Legato™ Series Syringe Pump

Expand the capabilities of your Legato Syringe Pump at no additional cost

KD Scientific Legato™ Series Syringe Pumps with free Adagio™ control software. Add a new dimension to utilizing your syringe pumps. Adagio™ allows you to run the pumps through an interactive software program. The software is easy to use and allows the user to control one pump or up to 50 pumps. No software programming required.

- Configure or view the pump program in graphical or spreadsheet format
- Track multiple pumps by serial number and unique name
- Data log and store program information
- Store multiple programs by name
- Define and execute programs
- Automatic pump communicator
- Windows 7 compatible

KD Scientific syringe pumps are recognized worldwide for quality and reliability at an economical price. For a limited time, we are offering a free copy of Adagio™ control software with the purchase of a Legato series syringe pump. Applies to the Legato listed in the table below.

Offer number KDS15 and Adagio order number 788000 must be referenced at the time of order.

Free Adagio Promotion Expires on December 15, 2015.

Legato 110

Legato 270

KD Scientific syringe pumps are for laboratory use only. They have not been approved by the FDA for clinical use on patients. Promotion exclusions may apply. Please contact KD Scientific or your local distributor for stipulations.
